- Background: Soft cream/beige
- Primary Accent Colors:
  - Navy (#1A1A2E)
  - Orange (#FF7A00)

  - Teal Green (OpenAI teal)
  - Purple (#8B5CF6)
  - Blue (#3B82F6)
- Secondary Colors:
  - Light gray, yellow, pink, pastel blue, red-orange (for visual pop)
- Elements: Colorful confetti dots and plus signs

VISUAL MOTIF

- Winding Road: Represents a journey/path to becoming an AI Engineer
  - Color: Dark gray with white dashed lines
  - Connects learning points/tools

ICONS & LABELS

- Style: Rounded rectangular boxes with icon + label
- Examples Used:
  - Prompt Engineering
  - Vector Databases
  - OpenAI APIs
  - RAG
  - LLMs
  - LangChain
  - Cursor
  - Copilot
  - CodeRabbit
  - Replit
  - Phind

  - "More" button (for modular extensions)

- Icons: Flat, friendly, cartoon-style (robot heads, documents, code brackets, logos)
